Leadership

“At the core of our success is a leadership team driven by vision, integrity, and purpose. With a deep understanding of the industry and a passion for excellence, our leaders guide every aspect of our operations with clarity and commitment.”

Mann Patel

CEO, CRATEX Group

At Cratex International, leadership is more than a role it's a responsibility we uphold with pride. With decades of experience in the tobacco industry, we lead with a clear vision rooted in tradition, integrity, and innovation.

Trade Expert

“At the core of our success is a leadership team driven by vision, integrity, and purpose. With a deep understanding of the industry and a passion for excellence, our leaders guide every aspect of our operations with clarity and commitment.”

Divy Thakkar
Import Export Advisor, CRATEX Group

With deep insight into international trade and compliance, I ensure our premium grade tobacco reaches global markets efficiently. Each leaf is selected for its rich flavor and purity delivering a product that meets the highest international standards.

Chief of Finance

“Responsible for overseeing the company’s financial health, I lead budgeting, auditing, and reporting with precision and transparency. With a focus on strategic planning and compliance, I ensure financial efficiency while supporting sustainable business growth.”

Mishal Patel
Accounting and Finance Head, CRATEX Group

I lead all financial operations with a focus on 100% accuracy, regulatory compliance, and strategic planning. From budgeting and reporting to risk management, my role ensures financial strength, transparency, and long-term business growth.

Passion

Passion drives everything we do from the hum of machines to the hands that shape every details. Each product is a reflections of our commitment to quality, innovation, and excellence. We don't just manufacture; we bring ideas to life with purpose, precision, and pride.

Passion

At the heart of our factory lies a relentless drive Passion. It's in every spark, every detail, and every finish. We don't just build products; we craft experiences born from innovation, precision, and pride. Each creation is a testament to our unwavering commitment to quality and excellence. From concept to completion, we bring visions to life with heart and with purpose.
